Lets have a closer look

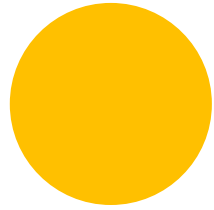

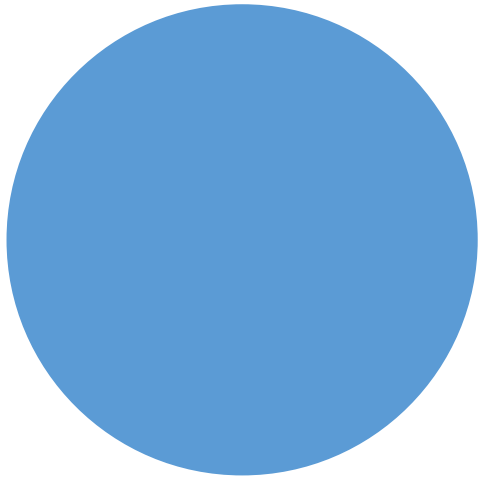

Community Shopping Plan

In this example shown above; You are the Blue Circle, You have directly introduced the Green Circles, these have registered for free and are only eligible for pay-out on this plan, meaning anything they purchase, you are rewarded 6% commission from profit generated.

Lets look at the Green Circle (A) – This person has introduced three (Blue Squares) under them, this means they are eligible for 6% pay-out on any purchases they make, likewise, you are also eligible for 4% pay-out commission from profit generated from their purchase.

Lets Look at the Green Circle (D) – This person has introduced one person (Blue Square) who has introduced one person (Yellow Triangle), who then introduced 12 people (Grey Hexagons). The commission pay-out on this example would be: Yellow Triangle 6%, Blue Square 4%, Green Circle (D) 2% and finally You (Blue Circle) 1%.
